QUESTIONS FOR CANDIDATES

In order to help the voters make an informed choice at the coming city election for councilmen on Tuesday, September 21, the *News Review* has prepared the following series of questions which we are inviting the individual candidates to answer. Their replies will be published in the September 9 issue of the paper.

- (1) The clash of public interest and private interest in the development of vacant land will continue to monopolize the attention of the next council. So far, the desires of the private developers have rarely been in accord with those of the majority of present Greenbelt residents; the developers seeking intensive commercial and high-density residential use and the city seeking low-density development. Especially critical is the zoning of the last remaining parcels of vacant land within Greenbelt — Parcels 1 and 2 between Greenbelt Homes, Inc. property and the Baltimore-Washington Parkway — which the city's own Master Plan recommends be zoned largely for single-family homes. What are your views on the development of this land?
- (2) The city has employed a special zoning attorney and professional planner to represent the city at zoning hearings and to appeal zoning decisions adverse to the city's interests. Do you favor their continued employment and would you support the city's appeals filed in the cases dealing with the Golden Triangle and the Smith-Ewing tracts east of the Baltimore-Washington Parkway?
- (3) In order to assure that the central core of Greenbelt is preserved as open space and green area, a \$250,000 bond issue for acquisition of parkland adjacent to Greenbelt Lake (with Federal financial aid) has been proposed. Do you favor this proposal which will be voted on in a referendum conducted in conjunction with the council election on September 21?
- (4) In order that the maximum number of alternative routes for traffic from the North End of town to Crescent rd. be made available, the 1965-66 municipal budget calls for construction of the Greenhill - Hillside roads cut-through and the connection of Ridge rd. to Lastner Lane. How do you feel about this project?
- (5) Greenbelt's population is growing rapidly. What are your views on citizen requests for
 - a) continuation of round-the-clock, full-time police protection?
 - b) continued execution of a vigorous landscaping and conservation program with special emphasis on development of parkland and pathways around Greenbelt Lake?
 - c) continued expansion of the recreation program as the need develops — for example, new softball fields and playgrounds?
 - d) upward adjustment of city salary scales so as to assure attraction of competent personnel?To what extent would your views be affected by the fact that a one-time extra half-year's tax will be levied next year because of a change in State law?

Festival News

Entries are still being received for the 1965 Miss Greenbelt Contest, which will be held on Sunday evening, September 5. At present, the number of sponsoring organizations exceeds the number of girls entering the contest.

The Toastmasters Club of Greenbelt, which is organizing the contest, invites all eligible girls to enter. Applicants must be: 1) residents of Greenbelt, 2) unmarried, between the ages of 16 and 26 by date of contest, 3) not a previous first place winner, and 4) represent only one organization. The contestants will wear party dresses and be judged on beauty and personality by a group of out-of-town Toastmasters.

They will make appearances on Saturday night at a dance (September 4), at the Queen Contest on Sunday evening (September 5), and ride in the Labor Day Parade on Monday morning in convertibles provided by the committee. A "Queen's Trophy" and two "Princesses Trophies" will be awarded as prizes.

All organizations and business establishments in Greenbelt are invited to participate by sponsoring a girl. Banners of the sponsoring organization will be worn by the contestants and publicity will be given to both the sponsors and the contestants. For information, call J. L. Noel, 474-9362.

Long Distance Race

A feature of the sporting events held during the annual Labor Day Festival has been the long distance race, which attracts local and out-of-town runners. A 9.3 mile long-

Absentee Voting Allowed In Coming City Election

By merely writing a letter of request, any Greenbelt resident who is registered to vote in the city election on September 21 and who will be unable to vote in person, may vote by absentee ballot. This letter, which should be addressed to the city clerk, Mrs. Nita Maschauer, must include the writer's reason for being unable to vote at the polling place — such as being out of town or being confined to bed with illness. Those voters whose requests are authorized will be mailed an absentee ballot, which they may fill out immediately, if they so desire. All requests must reach Mrs. Maschauer by September 18, three days prior to the election.

distance race, and a 1½ mile race, will be held on Sunday evening, September 5, at 6:30 p.m. It will start and finish at Braden Field and run through the Agricultural Farm. A number of nationally known runners are expected. Gar Williams, 1965 U.S. marathon champion; Lou Castagnola, last year's winner and U.S. 30 kilometer (18 mile) champion; and Bob Scharf, Washington area runner.

Both races are open to the public and many boys and girls are expected to compete. A special trophy will be awarded to the first Greenbelt resident to finish in each race. A large number of trophies and prizes will also be given for the larger race.

Further information may be obtained from Larry Noel, 474-9362.

Area Schools Are Anticipating Increased Enrollment Sept. 7

by Elaine Skolnik

When the school bells ring on September 7, students will find their schools have a new look. In anticipation of an upward swing in enrollment due to increased development in Greenbelt, both North End and Center Schools are now sporting little red school-houses — two at North End and four at Center.

North End, which has a normal capacity of 360, expects its increase in pupils will come from Boxwood and Country Estates, while the 390 pupil-capacity Center School will draw its additional enrollment from Lakeside Homes, Charlestowne Village, and the new sections of Springhill Lake. The estimated enrollment at Center School for the 1965 school year is expected to total 562, with North End's enrollment jumping to 420.

Both schools have their full complement of teachers for the start of the new term. John Moran, North End principal, told the *News Review* that his staff will include 11 grade and 2 kindergarten teachers and part-time physical education and music teachers. Ferdinand Cardano of Center School reports that his staff will consist of 17 grade teachers and 1 kindergarten teacher (2 sessions), and full-time physical education and music teachers.

In sharp contrast to last year, damage was negligible at the Center School during the summer months. North End, on the other hand, did not fare as well. Damage to the windows was extensive and the see-saws were carried away.

Junior High

Greenbelt Junior High expects a capacity number of students—900—this coming school year. This is 50 more than last year's total. Francis Furgang, principal, reports a major change in school hours. The school day will start a half-hour earlier—from 8 a.m. to 2:30 p.m. This was done as a budgetary consideration to insure the maximum use of the school buses in the county.

With the introduction of French and Spanish in the seventh grade the school will operate 7 periods a day, each period running 46 minutes. With the exception of 2 teachers (eighth grade home economics and seventh grade art) the staff of 45 remains the same. Thomas Ullrich, formerly with Buck Lodge, is the new vice-principal, replacing George Anderson who has been assigned as vice-principal to Suitland Senior High.

All students are requested to be at their regular bus stops on September 7 at 7:30 a.m. Bus 75 stops at North End Elementary School, Crescent Rd. and Greenhill; bus 154 at Hillside and Crescent, Crescent and Greenhill, Lakeside and North Drive; bus 229 at Riggs and Plateau, Crescent and Westway, Southway - Charlestowne Village; bus 142 at Ridge and Plateau, North End Elementary School; 235 at the Greenbelt Center, Crescent and Hillside; bus 217 at Greenbelt Center.

FOUR MORE CANDIDATES FILE FOR COUNCIL, MAKING NINE

A total of 9 candidates will compete for the five vacancies on the city council in the election on Tuesday, September 21. The latest candidates to file nominating petitions before the deadline last Monday were David C. Champion, 11-D Ridge; Francis W. White, 42 Lakeside Dr.; Edgar L. Smith, 118 Greenhill rd.; and Richard R. Pilski, 6 Orange. They join the following five candidates who filed earlier: Lloyd Moore, Harvey Geller, William Hoff, Clifford Simonson, and Robert Foley.

Four of the five incumbent councilmen—Smith, Hoff, Simonson, and Champion—are running for reelection. Two other candidates—White and Pilski—are former councilmen.

Following are additional biographies of candidates which have not previously been published. (All biographies will be reprinted in the *News Review* issue just prior to the election.)

FOLEY

Robert E. Foley, born in Washington, D. C., January 22, 1925. Attended District of Columbia,

parochial and public schools and Strayer Business College. Moved to Berwyn Heights, Maryland, in 1959. In December, 1964, he and his wife sold their property in Berwyn Heights to purchase a home in Greenbelt.

Mr. Foley was active in the District of Columbia's Recreation Department, serving as playground director, and a former member of the District of Columbia Umpires' Association.

He has been employed by the Federal Government for the past 15 years; ten years with the Department.

Tennis Tournament

A Novice and Sub-Novice tennis tournament will be held beginning Friday, Aug. 27 at 9 a.m. The Novice Division will be open to boys and girls 14 years and over who have not entered previous tournaments. The Sub-Novice Division is open to boys and girls 14 years and under. There is no entry fee. Boys and girls may sign up at the tennis courts at 9 a.m. Friday.

Slow Pitch Tournament

The final games of the D. C. Metro Slow Pitch Tournament will be played Friday, Aug. 27 at 7 p.m. at Braden Field. The winner of this tournament will represent the Washington area in the National Tournament at Toledo, Ohio. For very good competition and interesting softball, plan to attend tomorrow's game.

Girl's Softball

Congratulations to the fifteen-and-under girl's softball team for the fine third place finish in the Prince Georges County League. Carrolton and Berwyn Heights B tied for first place with an 8-1 record. Greenbelt finished the season with a 7-2 record. The girls will hold a picnic and beach party Saturday to end the season.

Labor Day Tournament

The third Annual Labor Day Tennis Tournament will be held over the Labor Day week-end. Divisions will be open for men, women, boys, and girls. Persons wishing to enter the tournament may register at the Youth Center.

Decorated Bicycle Contest

One feature of the Labor Day Parade will be a decorated bicycle and tricycle contest for which prizes will be awarded by the Lions Club. Entries will be broken down into two age groups.

Every entrant will receive a prize and in addition, four trophies will be awarded.

In order to enter this contest, each entrant must get a number pin from High's store at the Center and pin it to his right arm so the parade judges can pick out the winners. Every entrant will win a prize. In addition, four special trophies will be awarded.

Colombian Ambassador To Appear At Parade

Senor Eduardo Uribe, Colombian Ambassador to the United States, has consented to participate as a special guest in the annual Labor Day Festival Parade.

Ambassador Uribe was the guest of Leo Gerton, Clifford Simonson and Victor Fisher, and their families, at an informal picnic at the park area beside the municipal swimming pool on Saturday, August 21.

Leo Gerton, speaking as chairman of the Festival Committee, extended the invitation to the Ambassador and it was accepted.

ment of State, specializing in planning and surveying. He is presently employed by the General Services Administration where he is responsible for assigning and re-assigning of over 37 million square feet of space occupied by the headquarters of Federal agencies and departments. He recommends the approval or disapproval of lease clearance requests; reviews reports of excess real property to determine whether such property can be used to meet current or future space requirements of the Federal agencies and serves as consultant to officials of customer agencies on matters and problems relating to space assignment both current and long range.

Since becoming a resident of Greenbelt, Mr. Foley has become active and interested in civic affairs. He has attended many Council meetings as well as other public affairs meetings in the community. He worked diligently toward preventing the construction of an installation by a developer on property bordering Greenbelt Lake that would have created additional drain on the taxpayers of Greenbelt.

WHITE

Francis W. White was born in Olney, Maryland in 1922. During World War II he flew with a Navy bomber squadron in the Pacific. White was an Engineering graduate of the University of Maryland in 1951. He has been a resident of Prince Georges County since 1946, and a Greenbelt resident for 16 years.

White and wife Edna are the parents of 3 children, a son Robert attending the University of Maryland, a daughter Linda in the 11th grade at High Point High, and a daughter Sandy in the 4th grade at the Center School.

As a member of the Community Church, White has taught for a number of years in the Christian Education Program, served as principal of the junior high department; and has served on the Cub Scout Board, the Board of Ushers, and is currently vice-chairman of the Board of Trustees.

White participated for 5 years in the Little League Program, later serving as League President. He served as Chairman of the Recreation Advisory Board for the years 1960-61, and has been a member of the City's Charter Review Committee the past two years. He served on the City Council 1961-63 as Mayor.

During the past 10 years Francis White has been employed as a Planning Engineer on the Physical Plant staff at the Univ. of Maryland. In this capacity White assists in the planning and programming of new construction; the development of long range expansion plans; the preparation of feasibility studies and cost estimates for the development of the University.

In addition, White reviews and directs the work of architects, inspects new construction and conducts and interprets bid openings for portions of the work contracted by the University. This department also provides all interior and exterior maintenance, care of all roads and utilities and has the responsibility of the Post Office, refuse service and the 16 man Police force.

CHAMPION

David C. Champion has served on the City Council since 1959 and is now seeking a fourth consecutive term as Councilman.

Champion is a graduate of the University of Maryland where he received his B. S. degree from the College of Business and Public Administration. He attended New York University Graduate School of Business Administration. He was first associated with utility, oil, and gas consulting firms in Washington, D. C. for five years. He then worked as auditor for Nation's largest accounting firm for two years. He is presently associated with Robert E. Lohr, Inc. in real estate sales and has his own tax business.

Champion's past civic activities include a term as member of the audit committee of G.H.I., officer of the local Lions Club. Greenbelt Junior Chamber of Commerce and the North End PTA. He has served as auditor and/or tax advisor to the following Greenbelt organizations: Lions Club, Junior Chamber of Commerce, North End PTA, Co-operative Kindergarten and Foreign Language Association. He presently is a member of the Lions, American Legion and the Junior Chamber of Commerce.

Champion was the Republican candidate for Maryland State Comptroller in the last statewide election of 1962.

Former residents of Minnesota, he and his wife Corrinne have four children and reside at 11-D Ridge Road. They are members of the National Metropolitan Memorial Methodist Church.

Park Land Poor?

To the Editor:

The citizens of Greenbelt will be called upon at the general election Tuesday, Sept. 21 to consider in a referendum vote the advisability of authorizing and empowering the City of Greenbelt to issue and sell its Bonds in the amount of \$250,000 for the purpose of "Acquiring Land for Parks and a municipal Service Building and for the development of the land acquired."

This is indeed, a sizable amount of money to authorize City Council to spend for Park Land without the Citizens knowing specifically what land and how many acres are involved and just how the land is to be developed. The ordinance through which City Council is requesting citizen approval for such blanket authority to sell these \$250,000 worth of bonds covers eleven pages of legal lexicon to inform the purchasers of the bonds but provides no information for the citizens as to how public interest will be served by the purchase of this Park Land.

As a citizen of considerable experience and close association in the development of Greenbelt, it is my humble opinion that the City of Greenbelt is already "Park Land Poor." By that phrase I mean that from the time the Federal Government turned almost 200 acres of Park Land to the City of Greenbelt it has been too poor in tax revenue to properly maintain the Park Land which it presently owns. Why more?

Within the boundaries of the City of Greenbelt, over and above the 200 acres mentioned above, there are approximately 1200 acres of Federal Park Land, also some 50 to 100 acres of Park Land (including inner walkways) which are owned by GHI, and approximately 80 acres set aside for Park Land at Spring Hill Lake and many small inner parks in the several new subdivisions. That, indeed, is a sizable amount of Park Land acreage for a city of approximately 3200 acres

all told. Why more?

The ordinance does not specify where the Park Land which is to be purchased with the \$250,000 is located, but we can assume from previous Council reports published that the proposed Park Land fronts along Crescent Road from the Pepco substation to the parking lot at the Lake Park and extends south to the strip of land now owned by the City around the north side of the Lake. This acreage has always carried about the highest price tag of any residential property in Greenbelt and should produce a high assessed valuation, both as raw land and improved property. It should be pointed out that once this land is purchased by the City it is taken off the tax rolls of both the City of Greenbelt and Prince Georges County and any hope of improving the tax revenue for the purpose of providing sufficient funds to maintain Park Land from this tax source takes a severe setback. Such a step would certainly be very unsound economically. With the present very beautiful strip of Park Land owned by the City around the entire Lake, why more?

It is difficult for me to understand how the purchase of land for a Municipal Service Building gets into the picture for a Bond issue for Park Land, especially after the citizens were given to understand that the city already had funds for that purpose from the sale of the present Service Building. At the last Council meeting (August 16) there was much indecision on the part of Council as to the location of the new Service Building and to request citizen approval for the purchase of land for that purpose at this time only confuses the issue.

It is always wise voting procedure where referendums are concerned, "When In Doubt, Vote No" and so if this letter still leaves any doubt as to why you should "Vote No" on this referendum, then it would be wise to "Vote No" anyhow.

Welcome back to the city officials who have been out of town in recent weeks. Mayor Edgar Smith and his family have just returned from two weeks in Ocean City. Also away for two weeks were Councilman Dave Champion and family, who were vacationing in Minnesota, Canada and Niagara Falls. Ron Dick, assistant to the city manager, will return from vacation at the end of this week.

Mrs. Doris Cottingham, a secretary in the city offices, travelled to Wisconsin with her family and returned by way of Canada. She left her daughter Elyn at the University of Detroit, where she will be doing graduate work in chemistry.

Police Chief William Lane attended the first annual conference of the Maryland Chiefs of Police, held August 18-20 in Ocean City

Springhill Homemakers Club

Women interested in forming a Springhill Lake Homemakers Club are invited to meet August 31 at 8 p.m. in the Community House. At least 15 women must pledge support in order for this chapter to be organized.

The year's program may include topics on nutrition, footwear, home lighting, mental health, and other areas of interest specified by club members.

For more information call Mrs. Sutton, 474-1855.

"Savage" Rehearsals

Rehearsals for "The Curious Savage" are now in full swing. The play, a comedy by John Patrick, will be presented Friday, September 3, and Monday, September 6, at 8:30 p.m., with a matinee Saturday, September 4, at 2:30 p.m. in the Center School Auditorium.

There will be an admission charge, with special reduced prices for children under 18 and for groups of 20 or more. For further information call Susan Harbourn, 345-7978.

Used Books Needed

Donations of used books, magazines and comic books are needed for the Used Book Sale at North End PTA's booth at the Labor Day Festival. Please leave them at Twin Pines or call 474-1859 or 474-7841 for pick-up.
